

# PONTOON BOAT RENTAL ACKNOWLEDGMENTS

A pontoon boat is deemed “in your possession” until a return checklist for the boat has been completed and the keys to the boat are collected by an employee of Clear Lake Adventure Rentals.

**Time of Return, Trash, Pets and Smoking:**

- I agree to have the pontoon returned to the same location that I picked it up from and at the return time stated on my rental agreement. Any pontoon returned late will be charged \$10 per minute for every minute after the contracted return time. There are other renters counting on you being on time, please do not be late.
- I agree to take all trash, debris, etc. off of the boat. Any boat left with trash on board will be charged a \$100 cleaning fee.
- There is ABSOLUTELY NO SMOKING OR PETS ALLOWED ON BOATS! If there is evidence of smoking or a pet on board a boat you will be charged a \$250 fee.

**Accident, Damages, Lost or Missing Items:**

- I agree that I will hold harmless Clear Lake Adventure Rentals, LLC including the employees, volunteers and owners of Clear Lake Adventure Rentals LLC from any liability resulting from my handling and/or operation of a pontoon boat while in my possession.
- I further agree that my insurance company will be primary insurance for any damages that all rented items may incur/receive while in my possession or any damages that my rental causes to any other boats or property. If my insurance company fails to pay for damages described above, I agree that I am responsible for all damages incurred. I further acknowledge that I will be charged for all incidental damages, repairs or lost items while the boat is in my possession including damaged prop, missing gear, etc.

**Prohibited Use and Drivers, Alcohol Consumption and Towables:**

- You may NOT sublease the boat to another party or allow a driver other than the one listed on the rental contract to drive the boat.
- I understand that while drinking alcohol while driving a boat is legal in Iowa, the same Operating While Intoxicated (OWI) laws that are applicable to vehicles also apply to boating. If your blood alcohol concentration is .08 or more, you cannot operate a boat. Other laws that apply to drinking and alcohol also apply on the water. Please be responsible.
- If you are renting the Minnow, Island Oasis or Walter G, NO TUBING or pulling items is allowed. If you are caught pulling/towing items with one of these boats you will be charged a \$250 fee.

**Fines, Other Expenses and Damage Deposit:**

- I understand that any fines or tickets received on the water by the DNR are my responsibility unless they directly relate to malfunctioning equipment of the rented vessel.
- I understand that Clear Lake Adventure Rentals has retained my credit card information and will use the credit card to pay for any fees (as stated above) or damage to the vessel.

I have read and agree to the above terms: \_\_\_\_\_
